

## Comparison between old vs new EPF withdrawal process

OLD Process	NEW Process
<p>The diagram shows a circular flow involving three entities: EMPLOYEE (orange person icon), EPFO (blue circular logo), and EMPLOYER (person in a suit icon). The process starts with the EMPLOYEE sending a withdrawal form to EPFO. EPFO then performs verification with the EMPLOYER. Once verification is complete, EPFO sends the claim settled back to the EMPLOYEE.</p>	<p>The diagram shows a linear flow between two entities: EMPLOYEE (orange person icon) and EPFO (blue circular logo). The process starts with the EMPLOYEE sending a withdrawal form to EPFO. Once the claim is settled, EPFO sends the funds back to the EMPLOYEE.</p>
2-3 pages complicated forms with lots of data	Half page form with minimal data
Employer attestation mandatory	Not required now
Long process	Short Process
Higher chances of fraud by 3rd party	Very Secure and safe process
Can be done by any EPF account holder	Only if your UAN is active and KYC verified
