# The Taxmantra Advantage

## INDIA PRACTICE

TM delivers end to end India compliance services including audits, accounting, direct and indirect taxation, GST, payroll and labour laws. A dedicated team focuses on litigations, appeals, scrutinies and assessments. Dedicated support is provided for cross border transactions and FDI and ODIs.

## SINGAPORE PRACTICE

TM has the advantage of a local office at Singapore. From setting up in Singapore, nominee director and company secretary and registered office, we get your business running faster. A dedicated team does book-keeping and allied tax advisory and transfer pricing regulations.

## GLOBAL FUND RAISE ASSISTANCE

TM has been involved in \$100M+ fund raise. Our approach is divided into pre-fund raise, making investor connects, during fund-raise, ESOP implementation and post-fund raise compliances. An expert team drafts/ evaluates term-sheets, valuation reports and other documents.

## GLOBAL LEGAL & IPR ADVISORY

The dedicated legal and IPR team undertakes legal discourse, contract management, debt management, litigation immunity and support. Our opinion and support in arbitration is valued by a varied set of global customers including PE and VC funds.

## GLOBAL GRC STACK

TM assists global businesses in governance, risk and compliance with the GRC stack. This is a combination of world class technology powered by VComply and expertise delivered by Taxmantra.

## THE TAXMANTRA EDGE – WHY CHOOSE TAXMANTRA

- ❑ 30+ years of core area specialization in global tax and regulatory assistance
- ❑ Constant focus on new age business models. We spend focused effort in upgrading our knowledge base.
- ❑ We take pride in bringing about a shift in the usual perception of a locally available CA that has been the norm in India.
- ❑ As Taxmantra spreads across enterprising regions around the world, we consistently curate and share best practices with our customers
- ❑ Innovators and disruptors in the tax and compliance industry. Our business was the first of its kind to breakthrough in the technological handicaps in our industry.
- ❑ Hardcore client centric delivery – 99.28% retention ratio over the years.
- ❑ One stop service point for all tax and regulatory compliances

## THE TAXMANTRA EXPERIENCE

*“Our professional relationship with Taxmantra is for almost a decade. They take care of the compliance and financial requirements for both my Indian and Singapore Entities and help me to focus on my business and to scale it up.”*

*-Richik Nandi, Director, Poshvine*

---

*“This birthday got another special gift from Team Taxmantra - Webfosys Networks now has the next formal registered office in Singapore too - next 3 years, it's time to play the valuation game in ecommerce, blogs as well as overall corporate structure!”*

*-Om Thoke, Founder, Webfosys*

---

*“Taxmantra has been instrumental in scaling our business in Singapore. They have not only incorporated our Company in Singapore but is also taking care of our Visa Requirement and our regulatory issues. More power to the Team.”*

*- Ankit Khandelwal, Manager, Affine*

## THE TAXMANTRA EXPERIENCE

*“Being an entrepreneur, these legal tasks often come across a boring. Taxmantra has freed up my time in these respects, improving the productivity and minimizing lapses. Taxmantra has also served as an advisor and mentor in different aspects of our starting up and investment process.”*

*-Gaurav Dahake, Co-Founder, Buyhatke Internet Private Limited*

---

*“We have been working with Taxmantra for over 5 years now since our incorporation as a company. We love the way they handle the assignments, very organised, process driven and excellent communication - which matters the most. If you want to run your accounts and finance side of the business with zero headache, Taxmantra surely is the key choice.*

*-Sarbjit Das, Founder & CEO, Sun Dew Solutions Private Limited*

---

*“Guys, if you are looking for a CA who will travel your start-up journey with you, it has to be Taxmantra.com . Alok has given us support at every step possible, sometimes not even charging for it (on many occasions) just because he cares. And, you have absolutely no clue how much I harass the team - with delays, super delays, weird queries, and what not - and they don't even flinch, let alone complain And, I really don't know what we would do without their help.*

*- Priyadeep Sinha, Founder, GyanLabs*
